

# Whispurrs Cattery Deposit Agreement

Name \_\_\_\_\_

Date \_\_\_\_\_

Deposit in the amount of \$\_\_\_\_\_ towards total cost of \$1350, will be applied on the

above date and shall be good for one full year. If a kitten does not become available

to purchase within one year, the full deposit will be fully refunded within 7 days,

(unless the choice is made by the buyer and Whispurrs Cattery to extend the deadline and remain on the waiting list.)

\*\*\*\*No refunds will be given for deposits due to buyers remorse or for any other situation.

Upon signing this agreement, I also understand that there is a waiting list. When it's your turn and you visit, you have the option to pass on a litter and will keep your place in line. You may do this for one full year, but will NOT be refunded deposit once you decide to pass on a litter, unless you've been shown less than 5 kittens to choose from in that time.

I agree to all of the above.
